The Young Transatlantic Innovation Leaders Initiative (YTILI) is the U.S. Department of State's flagship program for emerging entrepreneurs from Europe.

The mission of the YTILI Fellows Program is to promote mutual understanding, enhance entrepreneurship and leadership skills, and build lasting partnerships between business leaders from Europe and the United States. YTILI Fellows are entrepreneurs between the ages of 25-35 with at least two years' experience managing a business or social venture in their home countries. The YTILI Fellows will participate in an in-person and virtual Entrepreneurship Curriculum, a fellowship placement in the U.S., and have the opportunity to participate in a Reciprocal Exchange.
